Dear Students:

Congratulations on your achievement during the 2017 NASA Ames Space Settlement Contest.

I am truly inspired by the passion and hard work put into your project about a self-sustaining community in space. It always makes me happy when students become interested in important issues that have a great impact on our future.

Thank you for being amazing role models for young people in Canada. I wish you all the very best and success with all future endeavours.

Please accept my warmest regards.

Sincerely,

Mr. Vyshna Krishnakumar
Mr. Vishvam Mazumdar
Mr. Kanav Arora
Mr. Rinay Shah
Mr. Vraj Patel
